A FLORIDA - DIRECT SUPPLY CHAIN SOLUTION TO SERVE THE LARGEST CONSUMER MARKET IN THE SOUTHEAST

- Closest port to Florida's Distribution Hub – the I-4 Corridor – home to the largest concentration of DCs in the state allows multiple round-trip deliveries/day
- No congestion
- Weekly direct sailings from Asia and new Central America and Mexico services
- On-dock cold storage
- Northbound backhaul trucking capacity = delivery cost savings to the Southeast and beyond (50% lower than SB rates)

EXPANDING TO MEET YOUR NEEDS
